Contact	David H. Mueller
Website	https://www.monteris.com
510(k) history	12 submissions · 12 cleared · 2009-2026

Monteris Medical is a leader in minimally invasive laser ablation technology for the brain. The company develops and markets the NeuroBlate® System, a robotic, MR-guided laser interstitial thermal therapy (LITT) platform designed for neurosurgical applications. Monteris operates with a manufacturing facility in Alameda, US. The company has received FDA 510(k) clearances from total submissions since its first clearance in 2009. Monteris specializes in neurology devices, with a focus on thermal ablation systems for brain tumors, radiation necrosis, and drug-resistant epilep...
