510(k) history	7 submissions · 7 cleared · 1988-2019

Ecolab, Inc. is a global provider of water, hygiene, and infection prevention solutions and services. The company operates with a manufacturing facility in St. Paul, Minnesota, serving diverse industries including healthcare, food and beverage processing, and hospitality. Ecolab received FDA 510(k) clearances from total submissions between 1988 and 2019. The company's cleared devices span multiple healthcare specialties, including general hospital equipment, gastroenterology and urology devices, and anesthesiology products. The company is currently inactive, with no submi...
