510(k) history	20 submissions · 19 cleared · 1976-1980

L.D. Caulk Co. is a Dental device manufacturer based in McHenry, US. The company specializes in restorative and preventive Dental products and materials. L.D. Caulk Co. has received FDA 510(k) clearances from total submissions. The company's regulatory activity spans from 1976 to 1980, with all submissions focused on Dental devices. This represents a historical record; the company has not received clearances in more than five years and is no longer active. Historical cleared devices include composite restoratives, dental amalgamators, calcium hydroxide products, and retra...
