Monaghan Medical Corp. is a respiratory health medical device manufacturer based in McHenry, US. The company specializes in innovative aerosol drug delivery and respiratory management products. Monaghan Medical has received FDA 510(k) clearances from total submissions since its first clearance in 1976. The company's portfolio is dominated by Anesthesiology devices, representing 91% of submissions. The latest clearance on record dates to 2013, reflecting the company's historical regulatory activity in respiratory care. The company's cleared devices include peak flow meters...
