510(k) history	30 submissions · 30 cleared · 1977-2003

Millipore Corp. was a global life science company founded in 1954, based in McHenry, US. Now part of Merck Group, the brand operates under the MilliporeSigma name following Merck's 2010 acquisition and subsequent 2015 merger with Sigma-Aldrich. The company holds FDA 510(k) clearances from total submissions, spanning 1977 to 2003. Millipore specialized in chemistry devices and filtration technologies, with cleared devices across anesthesiology, toxicology, and gastroenterology applications. This regulatory record reflects the company's historical focus on laboratory and cl...
